**Exams covered under the Kitten Plan do not include the cost of additional services that may be needed (i.e. medications, radiographs, fluids, etc.). These additional services will be charged at regular price. The Kitten Plan also does not cover the cost of spay/neuter.*

Plan expires after the last round of vaccines, or after four months. Services including free exams and nail trims will not be covered after expiration. It is crucial to complete all services in the recommended time frame, to provide your kitten the best care possible!
